told lawyers that Ariyana was in danger on 8-2-13 where the previous incident took place. But at the actual time it took place he didn't feel she was in danger because he never called DCF. I spoke with Sgt Jones who told me Chris Richards (Ariyana's father) asked why the SRCSO did not call him or DCF. Sgt Jones who was the supervisor at the time of the incident told him that the baby (Ariyana) was not in any danger & he didn't feel it necessary to call DCF. How ~~to~~ Chris Richards knows any of the details of the incident is becoming increasingly clear, with his association with Dept Briner. When we were in the court house

during an emotional custody hearing, Dept Baines was actually laughing at me & my daughter Victoria Frymark. I feel he is abusing his LE status & have had enough. Further steps will be taken, it's sad that my family is in fear of our safety & well being from someone who is supposed to serve & PROTECT.

Dpt Baimney said it was none of my business that she was a grown up. I said, well it is 1:30 in the morning & she is in bed with her baby. I went to get Victoria in her room which is right inside the foyer. I woke her & told her 3RSD was here & needed to speak to her. I told her if it was for the warrant for the credit card to just go & I would get her out in the morning. VF said "ok" she opened the door & said yes I heard Dpt Baimney ask how her night was VF replied I'm tired. The baby then started crying as I picked up my 16 month old granddaughter I heard VF yelling "MOM" & my son Ethan screaming

get off my sister! I walked out of the barn & was slammed against the wall by Dpt Bainey & VF in their scuffle. I began screaming get off her. Myself, My husband (Eric Frywaak) & son were all yelling at this time. Dpt Bainey was now on top of VF in the living room, he was continually hitting her & slammed her head on the hardwood floor. I was now in the hallway holding the baby & telling Dpt Bainey to stop hitting Victoria, he was still on top of her & look up at me firing his taser at me from about 6ft away, but he missed me. Somewhere they went passed me down the hall into my sons room. Dpt Counts was now in the hallway blocking us from

seeing Victoria & Dpt Barney. When I finally got thru I saw Dpt Barney on top of VF her arms were under his legs & I watched him punch her in the face twice. I was still yelling stop hitting her. He then pulled her off the floor by her arm & handcuffed her. I tried to take pictures of her face that was now covered in blood, to which I was pushed out of the way. I told VF to relax & I would come get her & VF said "NO mom, he said he's taking you to jail too. They were dragging her out of the house, when Dpt Barney reached over VF & punched me in the face. My husband started yelling "Did you really just hit her?" Sgt Davis then showed up & I told

him, I wanted to press charges for being assaulted. Next thing I know Dpt Baine has grabbed my right arm & twisted it behind my back. I say to Sgt Davis are you really letting the asshole that just assaulted me arrest me? He ^{Dpt Baine} put the handcuffs on my right wrist & I leaned forward to hand my husband my granddaughter. Dpt Baine then yanked my left arm & twisted it behind my back putting the handcuffs on extremely tight. As we were walking out I asked Dpt Baine if we could walk down the driveway so my socks didn't get wet, He said Fuck, no & dragged me across the lawn. He threw me up against a car & frisked me then put

me in the car. ~~at~~ Sgt. Davis then came to the car & ~~asked~~ "asked my side. When he finally let me speak, he said all I was making was excuses & I was being charged with assault on a LEO. They said if I could "behave" they would put me in the car with my daughter. They put me in with her & I felt my nose wet, because my handcuffs were so tight I couldn't even move my shoulder up to wipe it so I wiped it on my daughter's shirt. When dpt Baimy finally got in the car I said, you put me in the middle of something that had nothing to do with me. Dpt Baimy said, "You have a habit of getting in the middle, Ms Frymark"

I said OK. In the next sentence he asked if I could see his comp screen & showed me where he tried to get a warrant for me in 2009 & it was denied. He said he wrote it so piss poor because he didn't believe any of it. At no point were either my daughter or myself misandized. And then I found out I was also being charged with resisting with violence, which I don't know how that could be when he had my right arm behind my back & I had a 20lb baby in my left arm. My front door is now busted, my house was covered in blood & I have a fist hole from Sgt Barney in my wall. I have witnesses, that weren't asked
